BIWEEKLY PROGRESS REPORT – WEEKS 1-2 (PCT 104)

Student Information

Student Name	Abdulrahman Saleh Alaamri	ID Number	2240002427
Company Name	Saudi Aramco		
Submission Date	09/07/2026	Marks Obtained	

Progress Report Information: Brief description of activities, assignments, projects and type of training you were involved during each week of training, and problems faced with the resources used (Individuals, Books, and websites).

Tasks Done (10 marks)	Challenges Faced (2.5 marks)	Resources Used (2.5 marks)
- Activated Aramco account and completed profile setup - Completed mandatory onboarding courses (Information Security, Phishing Awareness, Safety Handbook, Fire Safety, Our Company, Insider Trading Policy, Code of Business Conduct) - Met with supervisor to learn about Law Solutions Team's work and challenges (the team I have assigned to), and got introduced to RPA and its role in the team - Completed most of the UiPath Automation Developer Associate Training (v2024.10) – To learn RPA (Robot Process Automation) - Practiced professional email writing and team communication	- Adjusting to many new tools, platforms, and internal systems in a short time - Keeping up with the pace of the UiPath curriculum while still building hands-on RPA experience - Understanding the Law Solutions team's existing workflows and translation pipeline well enough to see where automation could help	- UiPath Academy course materials and interactive modules (v2024.10) - Aramco's internal onboarding/compliance training platform (Success Factor) - Guidance and briefing from site supervisor, Abdullah Alkhaldi - Company documentation on Law Solutions team processes

***Student MUST send this report to his/her Academic Supervisor**
